

# BARANGAY DAPDAP

## HISTORY

DAPDAP is a native tree. These trees were abundant and were all scattered within the vicinity thus the residents called the place Barangay Dapdap. It is one of the 27 barangays of Mabalacat City, Pampanga. It was a remote barangay with vast agricultural land, situated Northeast of Mabalacat, town a city, Province of Pampanga. First Congressional District.

## MISSION

Stakeholders and people empowerment shall become prime movers and advocate of social economic progress to deliver basic needs to the community so that all shall live peacefully and harmoniously.

## VISION

Barangay Dapdap is envisioned to be a place where in the citizenry should enjoy high quality of life and where economic development will be highlighted, uplifted and wealth will be equitably distributed, that will also set aside the perceived shortcomings and will be immediately added to the accomplishment and achievement of the barangay government to a livable place
